**Instructions to Holder of This  
Certificate**

1. You are by law required to carry this card on your person at all times.
2. You must register any proposed change of residence at the Division of Registration, Territorial Office of Civilian Defense, **before** you make such change, except when prevented by serious emergency. If such emergency prevents you from registering such change in advance, you must register same with the Division of Registration within 3 days after such change.
3. This card must be surrendered to the Division of Registration before you leave the Territory of Hawaii.
4. Loss of this card must be reported within 24 hours to the Division of Registration.
5. Lending this card to any other person is prohibited.

This card is issued for your benefit and protection and is your identification in case of disaster. Do not lose it. Carry it with you always. Failure to comply with these instructions will subject you to severe penalties.
